

WRIT OF REGIME CHANGE

FORMATION OF THE NEW YORK STATE BOARD OF TRUSTEES

June 2, 2020

Whereas I, LORENZ KRAUS, am a US citizen residing in the State of New York; and, whereas, I would like to PEACEFULLY exercise my right to alter and abolish government, I am obligated to inform the New York State Police of the following:

- a) Through the plenary powers of the people (“we the people do ordain and establish”) I, hereby, create and add a Board of Trustees to the STATE OF NEW YORK with all power necessary to assure self-government, i.e., to among other things counter the well-documented imminent danger of British subversion and hijacking of our media and political system, resulting in, riots and/or martial law. As Chairman, I assert:
 - b) That the New York State Board of Trustees (NYBOT) exists from this date forward.
 - c) That the law is what is best for the community.
 - d) That the Board of Trustees’ method of governance shall be what sustains the people.
 - e) That the Board of Trustees invites the public to voice and validate the merits of adding a Board of Trustees, as a co-equal fourth branch to NYS government, by means of, exercising its plenary right to regime change, through a verifiable plebiscite within 90 days; which shall establish a baseline for NYBOT public support.
 - f) That NYBOT retains a 90-day grace period to demonstrate its value and necessity.
 - g) That the Board of Trustees guarantees a \$25000 bonus per NYS Police Officer for understanding and upholding the POLICE NEUTRALITY PRINCIPLE.

The POLICE NEUTRALITY PRINCIPLE means that police do not pick political winners; but yield to peaceful, lawful, orderly regime change by civilian hands. The Board of Trustees asks that the NYS Police affirm the POLICE NEUTRALITY PRINCIPLE. From there, the Board of Trustees can conduct its business without conflict; having provided due notice. Since this is a peaceful exercise of regime change, it is not a public safety issue. As such, it is not a police issue. Accordingly, the NYS Police are obligated to:

- 1) TAKE NOTICE of the initiative for regime change as documented, lawful, and within the rights of civilians to execute.
- 2) INFORM NYSP officers of this declaration by electronic or physical means.
- 3) AFFIRM that the NYS Police are political neutrals.
- 4) YIELD to reasonable NYBOT requests, so that NYBOT may do its job, so long as, these requests do not put officers in legal jeopardy, or jeopardize public safety.

Sincerely,

Lorenz Kraus
